

1 **73-3-3 Changes to a water right.**

2 (1) For purposes of this section:

3 (a) "Change" means a change to the:

4 (i) point of diversion;

5 (ii) place of use;

6 (iii) period of use;

7 (iv) nature of use; or

8 (v) storage of water.

9 (b) "Fixed time change" means a change for a fixed period of time exceeding one year and not
10 exceeding 10 years and includes a fixed time change described in 73-3-30.

11 (c) "Permanent change" means a change, for an indefinite period of time and includes a permanent
12 change described in 73-3-30.

13 (d) "Person entitled to the use of water" means:

14 (i) the holder of an approved but unperfected application to appropriate water;

15 (ii) the record owner of a perfected water right;

16 (iii) a person who has written authorization from a person described in Subsection (1)(d)(i) or (ii) to file a
17 change application on that person's behalf; or

18 (iv) a shareholder in a water company who is authorized to file a change application in accordance with
19 Section 73-3-3.5.

20 (e)

21 (i) "Quantity impairment" means any reduction in the amount of water a person is able to receive in
22 order to satisfy an existing right to the use of water that would result from an action proposed in a
23 change application, including:

24 (A) diminishing the quantity of water in the source of supply for the existing right;

25 (B) a change in the timing of availability of water from the source of supply for the existing right; or

26 (C) enlarging the quantity of water depleted by the nature of the proposed use when compared with
27 the nature of the currently approved use.

28 (ii) "Quantity impairment" does not mean a decrease in the static level of water in an underground basin
29 or aquifer that would result from an action proposed to be taken in a change application, if the volume of
30 water necessary to satisfy an existing right otherwise remains reasonably available.

31 (f) "Split season change" means a change when the holder of a perfected right grants to a water user the
32 right to make sequential use of a portion of the water right.

33 (g) "Temporary change" means a change for a period of time, not exceeding one year and includes a
34 temporary change described in 73-3-30.

~~(h) A fishing group may refile a fixed time change application by filing a written request with the state engineer no later than 60 days before the application expires.~~

~~(i)~~

~~(i) The water right for which the state engineer has approved a fixed time change application will automatically revert to the point of diversion and place and purpose of use that existed before the approved fixed time change application when the fixed time change application expires or is terminated.~~

~~(ii) The applicant shall give written notice to the state engineer and the lessor, if applicable, if the applicant wishes to terminate a fixed time change application before the fixed time change application expires.~~

(4) In addition to the requirements of Section 73-3-3, an application authorized by this section shall:

(a) include a set forth the legal description of:

(i) the segment of a natural or altered points on the stream channel that will be the place of use for an instream flow; or between which the instream flow will be provided by the change application; and

(ii) the applicable place of use where the water will be used on sovereign lands; and

(b) include appropriate studies, reports, or other information required by the state engineer demonstrating the necessity for the instream flow in the specified section of the stream and the projected benefits to the public resulting from the change.

~~(5)~~

~~(a) For a permanent change application or a fixed time change application filed according to this section, 60 days before the date on which proof of change for an instream flow is due, the state engineer shall notify the applicant by mail or by any form of communication through which receipt is verifiable of the date when proof of change is due.~~

~~(b) Before the date when proof of change is due, the applicant must either:~~

~~(i) file a verified statement with the state engineer that the instream flow uses have been perfected, setting forth:~~

~~(A) the legal description of the points on the stream channel between which the instream flow is provided;~~

~~(B) detailed measurements of the flow of water in second-feet changed;~~

~~(C) the period of use; and~~

~~(D) any additional information required by the state engineer; or~~

~~(ii) apply for a further extension of time as provided for in Section 73-3-12.~~

~~(c)~~

~~(i) Upon acceptance of the verified statement required under Subsection (5)(b)(i), the state engineer shall issue a certificate of change for instream flow use in accordance with Section 73-3-17.~~

149 ~~(ii) The certificate expires at the same time the fixed time change application expires.~~
150 (65) A person may not appropriate unappropriated water under Section 73-3-2 for the purposes of this
151 Section providing an instream flow.
152 (76) Water used in accordance with this section is considered to be beneficially used, as required by Section
153 73-3-1.
154 (87) A physical structure or physical diversion from the stream is not required to implement a change
155 application under this section for instream flow use.
156 ~~(9) This section does not allow enlargement of the water right that the applicant seeks to change.~~
157 ~~(10) A change application authorized by this section may not impair a vested water right, including a water~~
158 ~~right used to generate hydroelectric power.~~
159 ~~(11) The state engineer or the water commissioner shall distribute water under an approved or a certificated~~
160 ~~instream flow change application according to the change application's priority date relative to the other~~
161 ~~water rights located within the stream section specified in the change application for instream flow.~~
162 (128) An approved ~~fixed time~~ change application under this Section does not create a right of access across
163 private property or allow any infringement of a private property right.
